2.0. Safety, Care and Maintenance

Time required for assembly: 10 - 15 minutes (approx).
Number of people recommended for assembly: 2

IMPORTANT: For safety, never leave the shade cover attached to your trampoline if strong winds are expected. Strong winds may lift up against the shade cover, causing the trampoline to move.

The Vuly Shade Cover will not provide safety from harsh weather, nor will it extend the life of the trampoline. It is designed only to offer shelter from sunlight and for recreational use (e.g. for nighttime camping).

Weather Care

Remove your Shade Cover when not in use for extended periods, and avoid leaving it attached to your trampoline in heavy rain, snow, gusty or stormy conditions. This will preserve the life of the Shade Cover and postpone fading, sagging or tearing.

Safety Notice

Shade Cover may not offer full and complete protection from the sun while on your trampoline. When using your trampoline and Shade Cover, Vuly recommends wearing appropriate clothing, headwear and sunscreen to adequately shield your skin from UV light.

Pre-assembly

If you have a Vuly Basketball Set attached to the trampoline, ensure it is assembled in the lower position or facing outwards prior to installing the Shade Cover. Refer to the assembly manual provided with the Basketball Set for further instructions.
